## A NARROW FOOTHOLD

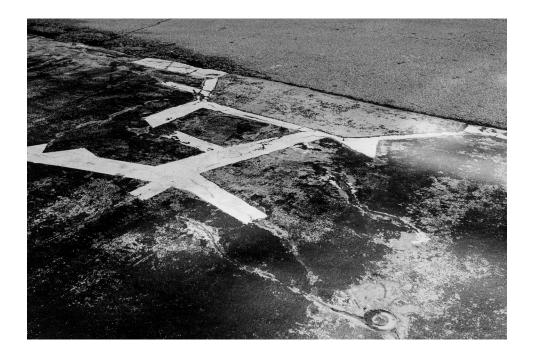

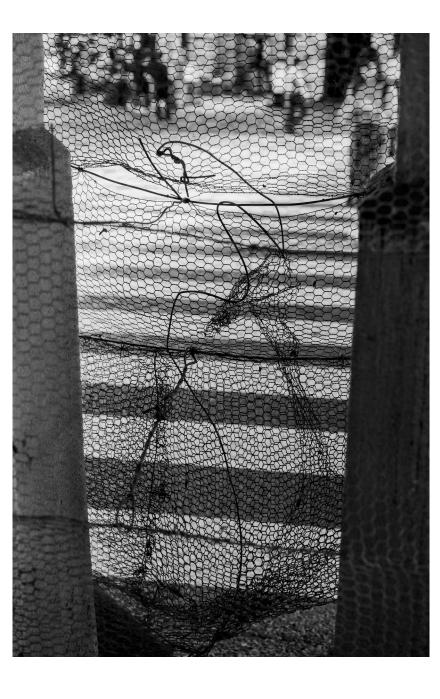

strategic embellishment  $^{23}$ 

intended to endure in quasi-perpetuity  $^{\rm 24}$ 

a land full of inconspicuous places<sup>84</sup>

reveals its brittleness  $^{24}$ 

a sort of productive disorder  $^{211}$ 

world of particular secret affinities<sup>827</sup>

from which dreams arise  $^{84}$ 

boredom and dust  $^{838}$ 

a form of practical memory  $^{205}$ 

up before the sun itself  $\,^{104}$ 

to interrupt the course of the world <sup>318</sup>

a thousand configurations of life 5

an endless series of facts congealed  $^{14}$ 

in the form of things  $^{14}$ 

the monotonous, fascinating, constantly unrolling band of asphalt  $^{519}$ 

that ancient dream of humanity  $^{429}$ 

always identical and always new  $^{546}$ 

to reckon with the open air  $^{392}$ 

to put things under a spell  $^{852}$ 

so that all at once  $^{852}$ 

the fundamental coordinates of this world  $^{843}$ 

offer a narrow foothold  $^{460}$
